|----------------------|----------------------|--------------------------|
| Social Security Card | Gun Permit | Immigration Papers |
| Birth Certificate | Marriage Certificate | Work Permits/Licenses |
| Driver's License/ID | Passport | Veteran Discharge Papers |

All Government Issued IDs, Licenses, Permits, and Certifications for Each Family Member

WHAT TO PUT ON YOUR FLASH DRIVE

Scan your important documents using a scanner, and store the files on the Survival Flash Drive. Use a permanent marker, sticker, or label to put the word "ICE." (In Case of Emergency) on it. Purchase a USB Flash Drive (also called memory sticks or thumb drives due to their small size)
