

Student Agreement Presidential Scholarship Program

Program commitments

I agree to uphold the highest ethical standards in my research.

If my research involves vertebrate subjects, I understand that I cannot begin my research until I apply for and receive approval from Willamette's Institutional Review Board. Documentation of that approval is required before I may begin my project.

Documentation of compliance with IRB requirements is required before I receive the final third of grant funds.

I understand that the program consists of the following 6 parts:

10 weeks of independent research in spring/summer following award

2 hard copies of a final product (e.g., scholarly paper, film/CD, artwork or its documentation); one copy to be submitted electronically to the Academic Commons

2 copies of a final report

Presentation at Student Scholarship Recognition Day

Return signed agreement to the Student Academic Grants & Awards, Smullin 155. (email via Karina Pickett, krpickett@willamette.edu)
