

– Guide to the Major

Welcome to the Psych major! Below, you will find a list of the requirements for completing the major, along with some key issues to keep in mind for schedule planning. If you have questions, please discuss them with your advisor.

Introductory Course in Psychology (4 credits total)

Breadth Requirement: One course in each of four “categories” (6 creditstotal)

Clinical / Applied Psych

(choose 1 course 4 credits)

PSY310– Clinical Psychology
(PSY310 before S '21)
PSY321– Psych for Sustainability
PSY335– Adult Psychopathology
PSY337–

Note: You can complete the categories in any order you wish. The breadth requirement is typically fulfilled concurrently with the Research Methods requirement (see below). Many students finish the breadth requirement during the senior year.

Important Notes:

- In addition to the PSYC courses above, majors must complete one natural science (NS) course outside of psychology.
- If planning study abroad, it's best to go prior to spring of junior year (to allow PSYC 310 enrollment & timely pre-req completion).

Welcome to the Psych major! Below, you will find a list of the requirements for completing the major, along with some key issues to keep in mind for schedule planning. If you have questions, please discuss them with your advisor.

Important Notes:

- *In addition to the PSYC courses above, majors must complete one natural science (NS) course outside of psychology.*
- *If planning to take a minor, consult with your advisor for course selection.*
